Mr. Morrow,

Unless Judge Hughes specifies differently, all status reports must be filed on the case. The report should include a case caption, just like formal pleadings.

Subject: 4:13cr363 USA v. James Ham - Joint Case Status Update

Dear Ms. Hassan:

It is our understanding that we are to update the Court on the status of Mr. Ham's case. The following joint status update is submitted for the Court's consideration.

Defense counsel has recently submitted a preliminary mitigation investigation to the United States Attorney. This information is currently under review in the executive offices of the United States Attorney here in Houston. After that review is concluded the local office will make a recommendation to the Attorney General as to whether the government should seek death. The Attorney General will make the ultimate decision after his office reviews the recommendation of the executive office here. We are not aware of any particular time schedule for these decisions but all the parties are aware of the schedule set by this court.

If we can provide any further information, please let us know.

Robert Morrow
